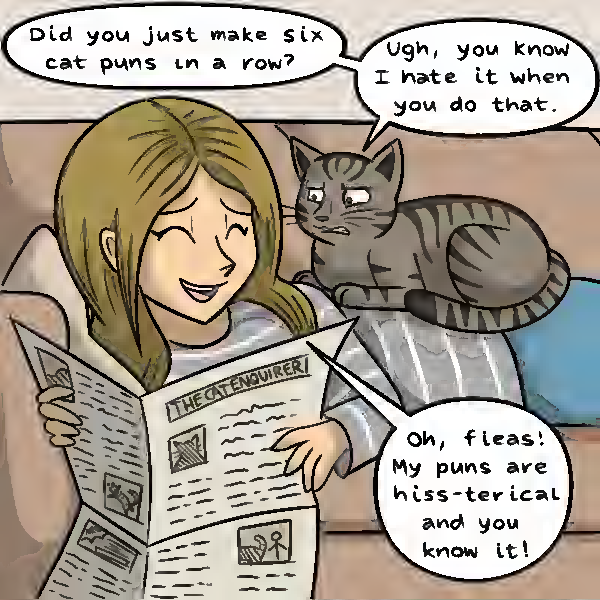
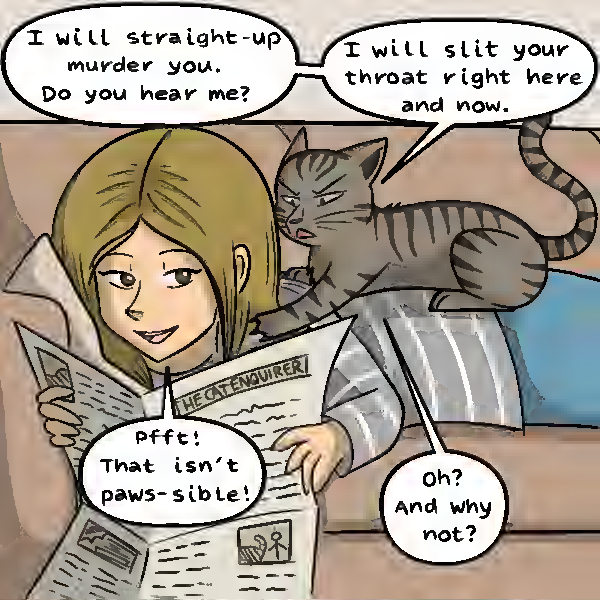
Hey, are you looking fur a mew kitten to get smitten with?
'Cause I was going through the purr-sonal ads just meow, and I think this one is purr-fect fur you!

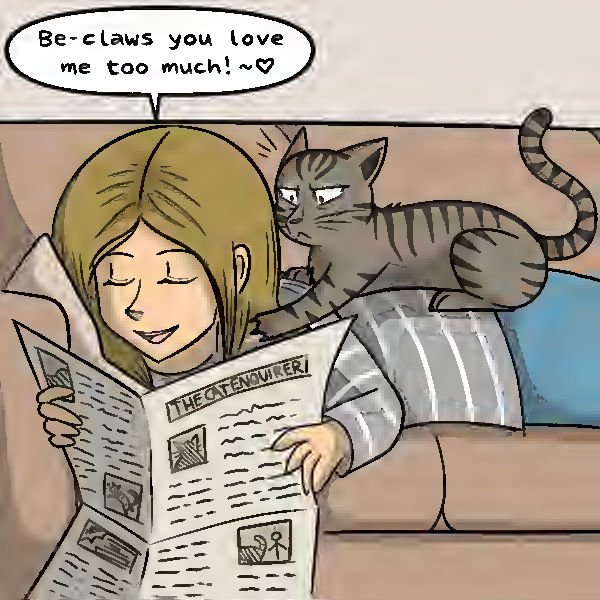


Did you just make six cat puns in a row?
Ugh, you know I hate it when you do that.
THE CAT ENQUIRER
Oh, fleas! My puns are hiss-terical and you know it!

Ughh, no! That one was so bad.
Please just stop. Please.
THE CAT ENQUIRER
Well I doubt she'll want someone so catty, anyway. You'll never whisker away with that cattitude.



I will straight-up murder you. Do you hear me?
I will slit your throat right here and now.
LIFE CAT ENQUIRER
pfft! That isn't paws-sible!
Oh? And why not?



Be-claws you love me too much! ~♡
